

FOR REAL-ESTATE AGENTS & PROPERTY MANAGERS

The apartment goes to whoever signs **first**.

Lease and brokerage contracts signed in minutes — hosted in CH/DE, under your brand.

Leases, brokerage mandates, reservations and handover protocols — to prospects and owners in minutes, not days, legally binding and under your brand.

THE PROBLEM — AND HOW WE SOLVE IT

✗ The reality today

- ✗ **Contracts take days — prospects walk away**
Print, email, chase. In a competitive market, the one who signs first gets the lease.
- ✗ **DocuSign is expensive — and US-hosted**
Enterprise per-user pricing, and tenant and owner data sits outside Switzerland and the EU.
- ✗ **Someone else's brand on your documents**
Clients sign in a US tool — not with your agency.
- ✗ **No court-proof record**
For handover protocols and reservations, the complete audit trail is often missing.

✓ With wesign.now

- ✓ **Signed in minutes**
Prospects sign the rental offer on mobile — instantly, from anywhere.

- ✓ **Your brand — signing page & email**
Clients sign on YOURAGENCY.wesign.now — your logo on the signing page and in every email.
- ✓ **Court-proof audit trail**
Every handover protocol with timestamp and certificate — fully documented.
