

FOR FIDUCIARIES & TAX ADVISORS

No more signatures that hold up the mandate.

Use e-signatures now: simple, hosted in CH/DE, with your logo.

Powers of attorney, engagement letters and financial statements in minutes, not days — legally binding and in your firm's name.

THE PROBLEM — AND HOW WE SOLVE IT

✗ The reality today

- ✗ **Powers of attorney cost days**
Print, sign, scan, chase — every signature delays the mandate.
- ✗ **DocuSign is expensive — and US-hosted**
Enterprise per-user pricing, and client data sits outside Switzerland and the EU.
- ✗ **Someone else's brand on your documents**
Clients see a US tool — not your firm.
- ✗ **No court-proof record**
Who signed when? Paper and emailed PDFs leave no complete record.

✓ With wesign.now

- ✓ **In minutes, not days**
Templates for recurring documents, pre-filled per client, signed on any device.
- ✓ **Hosted in Zürich — ZertES & eIDAS**
Swiss/EU data sovereignty. SES + AES, PAdES-sealed — around 90% cheaper than DocuSign.
- ✓ **Your brand — signing page & email**
Clients sign on YOURFIRM.wesign.now — your logo on the signing page and in every email.
- ✓ **Court-proof audit trail**
Every signature with timestamp, proof of identity and certificate — fully documented.

"Our clients now sign engagement letters in minutes — and everything carries our firm, not someone else's tool."
